

"I love my Senior Portraits from my *More of Me* session. I chose a beautiful outdoor location and wore three different outfits: a casual hoodie for my senior yearbook portrait, a sundress to show my feminine side, and a traditional Chinese dress to honor my cultural heritage."
~ Mengyuan, Class of 2012

"Sitting in front of a waterfall in Eldorado Canyon State Park was such a fun place for my Senior Portraits!"
~ Holly, Class of 2012

"Janine really understands how to make guys feel comfortable having their Senior Portraits taken. Mine were great!"
~Justin, Class of 2005
